

## Summer Experiences Code of Conduct

By deciding to attend a Summer Experience at Washington University, students commit themselves to maintaining the highest academic and social standards. As a member of the Summer Experiences community, students are expected to make a positive contribution by acting responsibly and by respecting the rights of other students, faculty, and staff. Please read the following expectations carefully.

Violations of any of the following may result in disciplinary actions including limitation of activities or expulsion from the program with no refund of the program fee and no credit earned:

1. Washington University encourages and gives full consideration to all applicants for admission, financial aid, and employment. The University does not discriminate in access to, or treatment or employment in, its programs and activities on the basis of race, color, age, religion, sex, sexual orientation, gender identity or expression, national origin, veteran status, disability or genetic information. It is our expectation that our students do not discriminate or harass others on such bases as well.
2. Students are expected to conduct themselves in a responsible manner, with respect for the rights and property of others, and are expected to abide by all applicable federal, state, and city laws.
3. Washington University prohibits smoking or the use of any tobacco products **anywhere** on campus. Students are not permitted to have tobacco products or tobacco paraphernalia of any kind including rolling papers, matches, or lighters.
4. Students are not permitted to possess or have unsupervised use of knives of any kind including pocket knives, x-acto knives, or kitchen knives.
5. Students are expected to attend all scheduled classes and required program activities unless otherwise excused by staff or instructors. Over 3 unexcused absences from class or other required program activities is grounds for dismissal.
6. Students are expected to be engaged, professional participants and complete all academic responsibilities.
7. Any damage to Washington University property or the private property of other students will be repaired at the expense of the student(s) responsible for that damage.

The following are **strictly** prohibited and violations will result in immediate dismissal from the program with no refund of the program fee and no credit earned:

1. Consumption, use, or possession of alcohol or unlawful drugs; abuse or distribution of prescription drugs; possession of paraphernalia that can be used for illegal drug use; possession or use of weapons, explosives, or fireworks; sexual misconduct or harassment; physical altercations or bullying of any kind. Such conduct may also expose students to criminal prosecution by state or federal authorities.
  - a. This policy also extends to objects or means employed to induce results or effects similar to intoxication or impairment but which are not necessarily illegal, e.g., “whip-its,” “bath salts,” use of over-the-counter medicines for such purposes, asphyxiation and so on. In such cases where means are not illegal to have in possession, intent to use for purposes of intoxication or impairment will be the determining factor in dismissal.
  - b. If there is suspicion of consumption, use, procurement, or possession of alcohol, unlawful drugs, weapons, explosives, fireworks, paraphernalia, or items with intent to impair a room check will occur in the presence of Washington University police, Residential Life and Summer Experiences personnel. Posts or photographs on social media as well as statements made by students or staff are considered grounds for suspicion.
