Never again waste time waiting for traffic lights

Jeffrey Hanming Zu
Waiting time so long...

- Average commuting time in Beijing is 1.32 hours
- The longest red light is 440 seconds
- Stop for one red, stop for every red
- It takes one hour to cover 9 miles
Why bother waiting?
Features
Safety

- Only show video when car is stopped completely
- No device manipulation is needed when driving
- Screen automatically darkens when driving
- Safer than talking on the phone while driving
